

Now you can use the Internet to purchase the latest U.S. Government publications. Visit the U.S. Government Online Bookstore at bookstore.gpo.gov.

What is bookstore.gpo.gov?

Bookstore.gpo.gov, the U.S. Government Online Bookstore, is your official source for Federal Government publications sold by the U.S. Government Printing Office (GPO). Our Online Bookstore provides Web users with easy, one-stop access to publications from all branches of the Federal Government.

Currently, the Online Bookstore links the general public to thousands of titles, including books, periodicals, posters, and CD-ROMs, from the National Energy Policy and works on military history to cookbooks for preparing low-calorie, inexpensive family dinners. Just a few other categories are:

- Medical research reports
- National Parks Service guidebooks
- Economic indicators
- Educational materials
- Census data
- Armed Forces publications
- Taxes
- Recreation . . . and lots more.

Whether you use topic or keyword searches or browse our online catalog, bookstore.gpo.gov can help you find the Government publications you need *quickly* and *easily*.

What's New

Bookstore.gpo.gov includes *What's New*, a section devoted to new and popular products offered for sale by the GPO. *What's New* contains product announcements for newly published publications, as well as items highlighted for special promotions or current events. Publications can be ordered by clicking the  **Add to Cart** "Shopping Cart" icons within each product announcement.

Best Sellers

Here, GPO lists its 10 best selling publications, including prices and ordering information. Click "Best Sellers" to find our most popular titles.

Ordering Information

This section guides users through the Online Bookstore site by:

- Providing information on how to use the site
- Helping you search for publication titles, either by keyword or topic
- Explaining how to place orders for sales titles, and how to use the shopping cart when placing orders
- Giving you information on subscriptions, discounts, and other customer service features

Bookstore Locations

In addition to the Online Bookstore, the U.S. GPO operates bookstores across America. [Bookstore.gpo.gov](http://bookstore.gpo.gov) lists:

- Locations and directions to bookstores
- Phone numbers, fax numbers, and e-mail addresses
- Hours of operation for each U.S. Government Bookstore throughout the country

New Titles by Topic E-mail Alert Service

This newly developed option allows Online Bookstore users to join one or more GPO Listservs. This free service allows you to receive convenient and timely e-mail updates about new publications for sale in some of our most popular subject areas.

Other online services provided by the U.S. Government Printing Office include:

GPO Access

GPO Access is at the forefront of GPO's electronic information dissemination. GPO Access links the general public to more than 200,000 titles on GPO's servers, as well as those on other Federal Government Web sites. Visit www.access.gpo.gov.

Ben's Guide

As an educational service for students (K-12), parents, and teachers, Ben's Guide provides information on how the U.S. Government works, its branches, historical documents, the history of the United States, how laws are made, and much more. Go to <http://bensguide.gpo.gov>.

Library Services

Search for specific titles; get more information about the U.S. GPO's Federal Depository Library Program, and its library locations in the U.S.; access the Bill of Rights, Articles of Confederation, and other key documents that shaped this country. See www.gpo.gov/fdlp.
